BALANCING ACT
Risks and Rewards

Supplies

• Scissors
• Brass paper fasteners
• Paper

Directions

1. Cut out the scales along the dotted lines, and attach the pieces with two brads.
2. Using a third brad attach the arms to the scale.
3. Cut out the risk and reward tokens.
4. Have your child work with placing risks and rewards on either side of the scale to “balance” them. Begin with simple topics like a game of dice, and move on to more complex topics like investments.
